

ATLANTIC® Nitro Clear 5W-30

Product Description

Atlantic Nitro Clear 5W-30 is an Ultra High Performance Fully Synthetic Engine Oil designed to deliver the highest level of wear protection and increased fuel economy. Nitro Clear 5W-30 is suitable for use in modern turbocharged and naturally aspirated Petrol Engines and in a wide range of Light Diesel Engines, especially those fitted with after exhaust treatments such as Diesel Particulate Filters. Nitro Clear has been engineered using Clean Earth Additive Technology designed to substantially reduce fuel consumption thereby reducing atmospheric hydrocarbon pollution.

Features & Benefits

- Lighter viscosity ensures maximum oil flow rates lubricating critical engine parts during cold startup.
- Fully Synthetic base stocks provide increased film strength and hydrodynamic lubrication between metal surfaces.
- Advanced additive technology reduces friction, decreases fuel consumption and extends operating life of engine parts.
- Offers advanced protection of Diesel Particulate Filters and Catalytic Convertors.

Technical Specifications

SAE Viscosity: 5W-30
API: SN / CF
ACEA: A1/B1, A5/B5, C2-08, C3-08
BMW: LL04
GM: Dexos2
Ford: WSS-M2C913-C/WSS-M2C913-D
Mercedes Benz: 229.31, 229.51
Volkswagen: 502 00, 505 00

Product code: PNC0540

All recommendations for the use of our products, whether given by us in writing, verbally, or to be implied from the results of tests carried out by us, are based on the current state of our knowledge. Notwithstanding any such recommendations the Buyer shall remain responsible for satisfying himself that the products as supplied by us are suitable for his intended process or purpose. Since we cannot control the application, use or processing of the products, we cannot accept responsibility therefore. The Buyer shall ensure that the intended use of the products will not infringe any third party's intellectual property rights. We warrant that our products are free from defects in accordance with and subject to our general conditions of supply.
